

Norman is a real person and is our expert head of Quality Assurance. Norman appears here to bring to your attention features, technical or quality issues.

More importantly the reasons why, on occasions, it's worth paying a little more for a product that may look similar to a cheaper alternative but is much better.

**THE DRAPER® RANGE BALL-BEARING EQUIPPED**

The range for the DIY or trade user. A wide selection of tool chests and roller cabinets in many different configurations is available. Most have anti-slip mats and all incorporate ball bearing runners for smooth operation.

When buying tool boxes to stack three high, why not consider buying this handy Kickstool too - Stock No. 59246. See page 315 to order.
